

## Music

### The current group was formed in 1998.

The members are all experienced musicians, coming from diverse backgrounds and cultures (pop, rock, blues, classic, folk, and country).

**Scot** has achieved a certain authority in the Country scene, but is at ease with Rock Classics, Blues, Pop, such as: Clapton, Deep Purple, The Beatles, Elvis Presley, Eddie Cochran, Tina Turner, etc. and of course our own compositions.

They can adapt to all kinds of public and venues ranging from big festivals and concert halls to smaller venues or private parties and they can certainly liven up all your parties.

Their sense of humour makes sure that the public have a real good time and go home with a smile on their face.

Because they have a serious professional attitude, they are appreciated by the organisers and technicians they have worked with.

"Music is a universal language that brings joy to
